

July 2 - 4, 2009
Apo View Hotel, Davao City

lcd monitor **shoot-out**

In the tradition of COMDDAP Shoot-Outs, DAVAO 2009 brings together the top LCD monitor brands side-by-side in a classic showdown.

Using carefully selected collection of graphics, photographs and video materials, these brands will display their best features. Come and join over 10,000 visitors expected to attend the biggest IT show in Davao City. See who's the fairest on the wall. You be the judge!
